bullets

Bullets are graphic devices that separate items in a list. In bulleted lists within text passages, follow these guidelines:

- Do not use commas or semicolons at the end of each item.
- If an item in the bulleted list is a complete sentence, capitalize the first word and put a period at the end of the sentence.
- If the item is not a complete sentence, then the first word should be lowercased, with a period placed at the end of the last item in the bulleted list.
- Do not mix sentence and non-sentence items in a bulleted list.

C

Capitalization

Avoid unnecessary capitalization by following these guidelines:

- Capitalize the formal names of departments and centers: the Department of Languages and Literature, the Center for Business and Industry. Use lowercase if writing “the history department,” “the biology department,” or “the center.”
- Capitalize specific courses: Introduction to Biology; Fundamentals of Accounting II.
- Do not capitalize majors and minors: He is majoring in criminal justice and earning a minor in sociology.
- Capitalize the names of specific buildings and rooms: We are meeting in the Blue Lounge in the Student Center.
- Capitalize the word “College” when it refers specifically to WSC.
- Capitalize formal titles that precede a name: Director of Research Donald Bailey.
- Do not capitalize titles that follow a name within text: Donald Bailey, director of research.
- Do not confuse a job function with a title: well-known illustrator Cory Jones.

- When hyphenated words are capitalized, capitalize both units of the word when the second unit is a noun or adjective or when it has equal weight with the first: “Eighteenth-Century British Poets”; “Non-Traditional Students in Community Colleges”; “First-Year Student Orientation.” Do not capitalize the second unit when it is a participle or if both units are defined as a single word: “Self-fulfilling Prophecies in Student Assessment”; “Designing an Eye-catching Ad”; “Seven Ways to Build Self-esteem.”

class years

Insert an apostrophe to replace the first two numerals of alumni class years. Designate year of graduation as follows:

Mary Smith '68 (undergraduate degree)

Mary Smith '68, M.A. '72 (undergraduate and graduate degree)

Mary Smith, M.A. '72 (graduate degree only)

Mary (Smith) Pauley '68 (Her last name was Smith at time of graduation.)

Mary (Smith) '68 and James Pauley (Only the wife is a graduate.)

Mary (Smith) '68 and James Pauley '65 (Wife and husband are graduates.)

James '65 and Mary (Smith) '68 Pauley (Husband and wife are graduates.)

commas

Avoid four common comma errors by following these rules:

- Place a comma before and after a state name that follows a town or city name:

Ex: Worcester, Mass., is home to several colleges and universities.

- Place a comma before and after the year when it is part of a complete date within text. Do not use a comma if only the month and year are given.

Ex: On September 11, 1874, Worcester Normal School was founded.

He was born in February 1987.

- Place a comma before and after academic degrees that follow a name.

Ex: Caroline Harper, M.B.A., Ph.D., is the guest speaker.

- Do not use a comma before or after Jr. or Sr., and do not precede Roman numerals such as I, II, or III with a comma.

Ex: William Smith Jr. will be late for the meeting.

Roland Johnson III is chair of the committee.

D

Professor Emeritus John Johnson is visiting us today.

Ex: Our adjunct faculty are very dedicated.

The faculty is voting on the matter next week.

Our staff are working on many projects at the moment.

Our staff is very efficient.

fiscal year

The 12-month period is six months ahead of the calendar year: July 1, 2006-June 30, 2008. In writing, write fiscal year out first, then use FY. The fiscal year began in July for FY2007-2008.
