

Art of Leadership:

This fall semester program is geared for student leaders and focuses on advanced leadership training topics such as Gender in Leadership, Ethics and Networking. There is also a focus on career development by incorporating resume critiquing and interview skills. The program runs for seven sessions in the fall. Contact Mandi Scala for more information.

About the Student Center/Student Activities Office.....

In the past the Student Center has been referred to many, many times as the hearthstone or living room of the campus; and in a very real sense it is the living room of Worcester State College. It is more than a living room. It is also a laboratory where students have an opportunity to learn and practice leadership, programming, management and interpersonal skills.

Emerging Leaders Program

(H.E.L.P.): Our Emerging Leaders program, Helping Emerging Leaders Progress, began seven years ago as a way to introduce new and potential student leaders to leadership training. Helping Emerging Leaders Progress is a 7-8 week program that meets once a week and addresses a variety of topics regarding student leadership. Students are nominated by faculty and staff and are invited to attend. It is held during February and March of the Spring semester.

Advisor Luncheon:

Newly revised advisor manuals and Synergy will be distributed. Bring your questions and your appetite on **Tuesday, September 20 at 12 Noon-2 PM in the Foster Room.**
