A Message from Barry M. Maloney, President of Worcester State University

At Worcester State University, students are the most important people on campus. For this reason, we are committed to superior educational offerings, well-rounded collegiate experiences, leadership and service-learning opportunities whether you walk to class from the residence hall, or drive to campus from the place you call home.

For new students, I encourage you to become active on campus and in the broader Worcester community. Participate in a sport, join a student organization or volunteer to help others through the John J. Binienda Center for Civic Engagement. Consider a local trip or a planned study-away experience. Whichever you choose, there are countless opportunities within and beyond Worcester State to hear, learn and experience something new.

For the returning students, now is the time to develop your leadership potential. Become an officer of a student organization, get involved with student government, or seek academic opportunities that test your ability to lead a group or project. The Office of Student Involvement and Leadership Development (OSILD) provides assistance to hone your personal leadership style and prepare you for success.

As a community, we strive to make our campus welcoming for all to pursue their educational, career and personal goals. It is our desire that you graduate not only prepared for the next leg of your journey, but that you remember all that you've experienced during your time at Worcester State University. Explore all that's around you. Get to know your fellow students, faculty, advisors and staff. Get involved!

Sincerely,

A handwritten signature in black ink that reads "Barry M. Maloney". The signature is written in a cursive, flowing style.

Barry M. Maloney
President

Student Rights and Responsibilities

Drug-Free Schools and Communities Act

Worcester State University is committed to the well-being of our students, and therefore embraces the Drug-Free Schools and Communities Act of 1989 requirements; that every higher education institution that receives Federal funding is to implement a drug and alcohol abuse prevention program (DAAPP). The purpose of this program is to provide an environment that is free from the use, sale, possession, or distribution of illegal drugs or the improper or abusive use of legal drugs or alcohol on WSU premises.

Students who violate this policy will be subject to disciplinary action up to, and including expulsion from WSU. Students who are found responsible for the unlawful sale or distribution of illicit drugs may be suspended, dismissed or expelled from WSU.

Students may confidentially obtain information regarding resources such as counseling and rehabilitation services from The Office of Alcohol and Other Drug Prevention Education, Student Center, Suite 338 or WSU's Counseling Center, Student Center Suite 325.

Worcester State University Statement of Community and Free Speech

Worcester State University is a collaborative and vibrant community for learning, critical inquiry, research and discovery, as well as a place of civility and respect. When engaging with one another or acting on behalf of WSU, each member of the WSU community is expected to uphold the following principles of the Strategic Plan:

- Academic Excellence
- Engaged Citizenship
- Open Exchange of Ideas
- Diversity and Inclusiveness
- Civility and Integrity

WSU is an inclusive community that supports each person's First Amendment right to express opinions and ideas, including unpopular or controversial viewpoints, without governmental interference, retaliation or punishment. WSU also protects each community member's right to an environment free from discrimination and harassment based on characteristics protected by law.

Although WSU supports all forms of constitutionally protected expression, the community must understand that certain types of expression are not protected and may be subject to discipline by WSU. For example:

- Incitement of imminent lawless action, raising false alarms regarding imminent personal danger, and engaging in threats of violence or unlawful discrimination, harassment or retaliation are forms of conduct subject to discipline.
- Conduct that violates WSU rules, such as destruction of property, endangering the safety of others, assault, or interfering with campus operations, even if it occurs in connection with expressive activities or is motivated by expressive concerns, is also subject to discipline.

WSU may also impose reasonable limits on the time, place and manner of expressive activities for the purposes of assuring that the administrative functions supporting WSU's mission continue and that all community members are able to learn, teach and work safely and without disruption.

Family Educational Rights and Privacy Act

Worcester State University complies fully with the provisions of the Family Educational Rights and Privacy Act of 1974 as amended. This federal law protects the privacy of education records and establishes the rights of students to:

1. Inspect and review their education records within 45 days of the day WSU receives a request for access.

Students should submit to the registrar, dean, head of the academic department or other appropriate official, written requests that identify the record(s) they wish to inspect. The WSU official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the WSU official to whom the request was submitted does not maintain the records, that official shall advise the student of the correct official to whom the request should be addressed.

2. Request the amendment of the education records that the student believes are inaccurate or misleading.

Students may ask WSU to amend a record that they believe is inaccurate or misleading. They should write to the WSU official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If WSU decides not to amend the record as requested by the student, WSU will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. To file a complaint with the U.S. Department of Education concerning the alleged failures by WSU to comply with the requirements of FERPA, the name and address of the office that administers FERPA is:

Family Policy Compliance Office Department of Education
Independence Avenue, SW Washington, DC 20202-4605

WSU accords all the rights under the law to students who are declared independent. No one outside the institution shall have access to nor will the institution disclose any information from students' education records without the written consent of students with the exception of the following:

- WSU officials within the institution
- officials of other institutions in which students seek to enroll
- persons or organizations providing students' financial aid
- accrediting agencies carrying out their accreditation function
- persons in compliance with a judicial order
- persons in an emergency in order to protect the health or safety of students or other persons.

All these exceptions are permitted under the Act. A WSU official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. A WSU official is:

- a person employed by WSU in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff).
- a person or company with whom WSU has contracted (such as a consultant, contractor, volunteer or other party to whom WSU has outsourced institutional services or functions).
- a person serving on the Board of Trustees
- a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

At its discretion the institution may provide directory information in accordance with the provisions of the Act to include:

- student's name
- address
- photograph
- date and place of birth
- major field of study
- grade level
- degree
- recent school attended
- enrollment status
- dates of attendance
- participants in officially recognized activities and sports
- weight and height of athletic teams
- honors/awards.

Directory information does NOT include a student's social security number or student identification number.

Currently enrolled students may withhold disclosure of directory information by notifying the registrar in writing of the request prior to the end of the first week of classes in the Fall. Such requests will be honored for the duration of the academic year—September through August; therefore, authorization to withhold directory information must be filed annually with the registrar. WSU assumes that failure on the part of the student to specifically request the withholding of categories of directory information indicates individual approval of disclosure.

A request to withhold the above data in no way restricts internal use of the material by WSU.

In compliance with the Family Educational Rights and Privacy Act of 1974, as amended, WSU reserves the right to disclose information to parents of a student under 18 and/or the parents of a student who is dependent upon such parents for federal income tax purposes.

Title IX Sexual Harassment Policy

Worcester State University is committed to creating and maintaining an academic and work environment that is free from sex discrimination (including discrimination on the basis of sex, sexual orientation, gender identity, and gender expression) and sexual misconduct (including sexual harassment, sexual assault, domestic violence, dating violence, and stalking).

Adherence to this commitment is ensured by University policies against discrimination and compliance with The U.S. Department of Education’s Office for Civil Rights (OCR) Title IX of the Education Amendments of 1972 (Title IX). Title IX protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance and are bound by Title IX and required by federal regulation to adopt and publish grievance procedures to address complaints of Title IX violations.

Title IX states, in its entirety:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

On May 19, 2020, the U.S. Department of Education issued the “Final Rule” under Title IX of the Education Amendments of 1972 that:

- Defines the meaning of “sexual harassment” (including forms of sex-based violence)
- Addresses how this institution **must** respond to reports of misconduct falling within that definition of sexual harassment, and
- Mandates a grievance process that this institution must follow to comply with the law in these specific covered cases before issuing a disciplinary sanction against a person accused of sexual harassment

The full Equal Opportunity, Diversity and Affirmative Action Plan is available here: <https://worchester.edu/eo-plan>

Title IX Scope:

Title IX prohibits sex discrimination in all university programs and activities, including, but not limited to, admissions, recruiting, financial aid, academic programs, student services, counseling and guidance, discipline, treatment of pregnant and parenting students, class assignment, grading, recreation, athletics, housing, and employment.

- The Final Rule mandates a geographic scope of its authority to act under Title IX and the types of “sexual harassment” that it must subject to its Title IX investigation and adjudication process. Only incidents falling within the Final Rule’s definition of sexual harassment will be investigated through the Title IX Grievance Policy.

Policy violations that do not fall under the scope of standards defined by the Title IX Grievance Policy or misconduct falling outside the Title IX Grievance Policy is discovered in the course of investigating covered Title IX misconduct, Worcester State retains authority to investigate and adjudicate the allegations under the Equal Opportunity, Diversity and Affirmative Action Plan.

University Response to Sexual Harassment

When the University has actual knowledge of sexual harassment in a WSU education program or activity, against a person in the United States, it will respond promptly in a manner that is not deliberately indifferent.

Making a Report

Complainants have the right to not make a complaint to anyone. However, a number of reporting options are available and we strongly encourage seeking support from support services, medical, and counseling services.

Title IX Coordinator

The Title IX Coordinator is charged with managing the University's response to reports of sex discrimination, which includes reports of sexual assault, sexual harassment, gender-based harassment, dating violence, domestic violence, stalking, and retaliation. Guided by University and federal procedures, (Title IX and Equal Opportunity, Diversity and Affirmative Action Plan) the Title IX Coordinator aims to ensure that the University's response promptly, effectively, and equitably addresses the incident, prevents its recurrence, and remedies the effects of all forms of such prohibited conduct. In some instances, Title IX issues may impact a student's academic performance. Eligible recipients of supportive measures will be determined and coordinated by the Title IX Coordinator.

Inquiries regarding Title IX may be referred to the Title IX Coordinator, Jennifer Quinn, Assistant Dean/Title IX Coordinator at Jquinn@worchester.edu, wsu_titleix@worchester.edu, 508-929-8243, or in person in the Student Center, room 344B. A report may also be filed at this link: [worchester.edu/title-ix-form](https://www.worcester.edu/title-ix-form).

Reports may be submitted at any time, even during non-business hours but please note the Title IX Coordinator does not monitor email on a 24 hour basis and may not review on weekends and evenings. Therefore, contact may not be available during non-business hours except by referral from University Police. If you are not safe please contact University Police immediately at 508-929-8911.

- there is a concern about imminent harm to self or others;

In such cases, one’s privacy will be maintained to the extent that maintaining confidentiality will not impair the University’s ability to provide the requested measures.

University Police

Complainants may file a criminal complaint with University Police, the local police department where the incident occurred, and/or other state and federal law enforcement agencies. Complainants can make both a criminal report and a report to the University; one does not have to choose one or the other. Complainants are never required to report an incident to University Police or local law enforcement. If a Complainant elects not to make a criminal report, the University will respect that decision; however, the University may have an obligation under the Clery Act to inform University Police/Public Safety of an alleged crime but will not disclose the Complainant's name.

If a Complainant chooses to make a report to University Police, they will conduct an investigation and, if wished, assist the Complainant in filing criminal charges against the Respondent. University Police can also assist a Complainant in the process of obtaining protective restraining orders and abuse prevention orders for sexual harassment, sexual assault, dating violence, domestic violence, and stalking.

Reports to law enforcement and/or criminal complaints do not constitute a formal complaint under Title IX.

Community Counseling and Support Resources

Many off-campus counseling resources are available. These service providers are not required to report any information to the University and will generally maintain one's confidentiality. A comprehensive list of resources can be found here: worchester.edu/title-ix.

False Complaints

Students who knowingly file a false complaint under Title IX or the University's Sexual Violence Policy, or who knowingly provide false information to or intentionally mislead University officials who are investigating or reviewing a complaint, is subject to disciplinary action, up to dismissal .

Title IX Complaint and Resolution Procedures

The University has adopted grievance procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by this policy.

The Title IX Complaint and Resolution Procedures include an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provides for credibility determinations that are not based on a person's status as a Complainant, Respondent, or witness.

Title IX Supportive Measures

Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the recipient's educational environment, or deter sexual harassment.

Examples of Supportive Measures but not limited to:

- counseling
- referrals to medical or advocacy services.
- extensions of deadlines or other course-related adjustments
- modifications of work or class schedules
- individualized academic accommodations
- campus escort services
- restrictions on contact between the parties (no contact orders)
- changes in work, dining, or housing locations
- leaves of absence
- increased security and monitoring of certain areas of the campus

Appeals

Either party may appeal a determination regarding responsibility, a dismissal of a formal complaint, or any allegations therein, on the following bases:

- procedural irregularity that affected the outcome of the matter;
- new evidence that could affect the outcome of the matter was not reasonably available at the time the determination regarding responsibility or dismissal was made; and
- the Title IX Coordinator, investigator(s), or Decision Maker(s) had a conflict of interest or bias for or against either Complainants or Respondents generally, or the individual Complainant or Respondent, which affected the outcome of the matter.

Procedures for filing an appeal can be found in the Title IX Sexual Harassment Policy.

Final Note:

Regulations, policies, and penalties imposed hereunder shall not be deemed exclusive of and shall not preclude Worcester State from pursuing resolution under other University policies, regulations and procedures defined within the Policy Against Discrimination, Discriminatory Harassment and Retaliation of the Board of Higher Ed. Equal Opportunity, Diversity and Affirmative Action Plan.

Definitions for Title IX Sexual Harassment Policy and WSU Sexual Violence Policy

Sexual Harassment

The Universities prohibit, under this Policy, conduct on the basis of sex that satisfies one or more of the following conditions:

1. An employee of the University conditioning the provision of an aid, benefit, or service of the University on an individual's participation in unwelcome sexual conduct; or,
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University's education program or activity.

Sexual Assault

An offense classified as a forcible or non-forcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.

Sexual Assault – Rape

The penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person without the consent of the victim (or attempts to commit the same). This includes any gender of victim or Respondent.

Sexual Assault – Fondling

Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances in which the victim is incapable of giving consent because of age and/or because of temporary or permanent mental incapacity

Statutory Rape

Sexual intercourse with a person who is under the statutory age of consent, which is 16 years old in Massachusetts.

Incest

Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Dating Violence

Any act of violence or threatened violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; the existence of such a relationship shall be determined based on a consideration of the following factors: (i) the length of the relationship, (ii) The type of relationship, and (iii) the frequency of interaction between the persons involved in the relationship. This includes, but is not limited to, sexual, emotional or physical abuse, or the threat of such abuse.

Domestic Violence

Includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Stalking

Engaging in a course of conduct directed (directly, indirectly, through a third party or other means) at a specific person that would cause a reasonable person to— (A) fear for their safety or the safety of others; or (B) suffer substantial emotional distress. For the purposes of this Policy, the behaviors must be directly related to that person's sex.

Retaliation

Neither the Universities nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under Title

IX or this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sexual harassment, but arise out of the same facts or circumstances as a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX or this policy, constitutes retaliation. The Universities will keep confidential the identity of any individual who has made a report or complaint of sexual harassment, any Complainant, any individual who has been reported to be the perpetrator of sexual harassment, any Respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. 1232g; or FERPA regulations, 34 CFR part 99; or as required by law; or to carry out the purposes of Title IX and this policy, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

Sexual Exploitation

Sexual Exploitation is taking sexual advantage of another person for one's own benefit or the benefit of anyone other than that person with that person's consent.

Aiding in the Commission of Sexual Violence

The aiding or assisting in the commission of an act(s) of sexual violence is prohibited.

Hostile Environment

A hostile environment exists when sexual harassment is sufficiently serious to deny or limit a person's ability to participate in or benefit from the University's programs or activities. A hostile environment can be created by anyone involved in the University's programs or activities.

To make the ultimate determination of whether a hostile environment exists for campus community the member(s), the University considers a variety of factors related to the severity, persistence, or pervasiveness of the sexual harassment, including: (1) the type, frequency, and duration of the conduct; (2) the identity and relationships of persons involved; (3) the number of individuals involved; (4) the location of the conduct and the context in which it occurred; and (5) the degree to which the conduct affected one or more person's education or employment.

A single or isolated incident may create a hostile environment if the incident is sufficiently severe. The more severe the conduct, the less need there is to show a repetitive series of incidents to show evidence of a hostile environment, particularly if the harassment is physical.

Important Definitions

A comprehensive list of definitions can be found in the Title IX Sexual Harassment Policy.

Consent

An understandable exchange of affirmative words or actions, which indicates a willingness by all parties to participate in mutually agreed upon sexual activity. Consent must be informed and freely and actively given. It is the responsibility of the initiator to obtain clear and affirmative responses at each stage of sexual involvement. Consent to sexual activity may be withdrawn at any time, as long as the withdrawal is communicated clearly.

Whether an individual has taken advantage of a position of influence over a Complainant may be a factor in determining consent. A position of influence could include supervisory or disciplinary authority.

Silence, previous sexual relationships or experiences, and/or a current relationship may not, in themselves, be taken to imply consent. While nonverbal consent is possible (through active participation), it is best to obtain verbal consent. Similarly, consent to one form of sexual activity does not imply consent to other forms of sexual activity.

Incapacitation

An individual who is incapacitated by alcohol and/or drugs, whether voluntarily or involuntarily consumed, may not give consent. Alcohol or drug related incapacitation is more severe than impairment, being under the influence, or intoxication. Evidence of incapacity may be detected from context clues, such as slurred speech, bloodshot eyes, the smell of alcohol on the breath, shaky equilibrium, vomiting, unusual behavior or unconsciousness. While context clues are important in determining incapacitation, they alone do not necessarily indicate incapacitation.

Persons unable to consent due to incapacitation also include, but are not limited to: persons under age sixteen (16); persons who are intellectually incapable of understanding the implications and consequences of the act or actions in question; and persons who are physically helpless. A physically helpless person is one who is asleep, blacked out, involuntarily physically restrained, unconscious, or, for any other reason, unable to communicate unwillingness to engage in any act. The use of alcohol or drugs to render another person mentally or physically incapacitated as a precursor to or part of a sexual assault is prohibited.

The use of alcohol, medications or other drugs by the Respondent or accused does not excuse a violation of this Policy.

Student Intervention Team

The Student Intervention Team is a cross-divisional, multidisciplinary team that meets weekly during the academic year to discuss and assess students whose behavior is of concern. The ACT Report information that may be shared with this group is confidential, utilized to determine where else the student has been identified, and subsequently determines the most appropriate individual(s) to reach out to the student. The SIT response, whenever possible, is aimed at assisting the student by providing them with the necessary support to foster their success as a WSU student.

Immediately following the SIT meeting, students will be notified that a member of the SIT may reach out to them to begin the support process.

Academic Procedures

Academic Advising

All incoming first-year students are assigned an academic advisor in the Academic Success Center, and a faculty advisor in their major. The Academic Success Advisor will help the student with advising and registration for their first year at Worcester State, and the faculty advisor will assist the students with the rest of their degree. An ASC advisor will also help a first semester transfer student register for courses, and then the student will work with their faculty advisor for future semesters. Undeclared students will have an ASC advisor until they declare a major.

An advisor must approve a student's course selection during the advising period in order for a student to be able to register during registration week.

Students should contact their advisor(s) when they have questions about their degree plan, course selection, or LASC.

The Academic Success Center is open regular business hours, and faculty advisors will have office hours during the semester.

More detailed registration and course information can be found in the WSU Catalog: worchester.edu/catalogs-and-calendars

Intent to Graduate

The degree and diploma will be granted within 60 days of the final day of examinations for the semester in which degree requirements have been met providing that students have adhered to the following deadlines for filing an Intent to Graduate form:

December completion:	Last Friday of October
May completion:	Last Friday of December
August completion:	Last Friday of May

Standards of Progress

Matriculated students (students admitted to Worcester State University and pursuing a formal course of study leading to the bachelor’s degree, second major, certificate, or professional certification) are expected to make satisfactory and steady progress toward completion of their programs.

Opportunities are available for student advisement, both within major departments and from the Academic Success Center. However, each student is solely responsible for selecting courses which satisfy departmental requirements for a major, as well as the general requirements for graduation, as described in the Undergraduate Studies Catalog. Students are responsible for familiarizing themselves with this information. Exemption from, or exception to, any published requirement is valid only when approved in writing by the respective Dean, Provost/Vice President for Academic Affairs, or Associate Vice President for Academic Affairs, and confirmed by the Registrar.

Attendance

All students are expected to attend and participate in all class meetings and laboratory sessions. In the event that illness or some other emergency prevents a student from attending class, the student should contact the instructor directly. Since attendance requirements differ according to the specific academic goals of each course, students should carefully check the attendance policy on the course syllabus. If there is anticipated prolonged absence, the Dean of Student’s Office (Student Center, Room 344) should be contacted.

Worcester State University abides by Chapter 375 of the Commonwealth of Massachusetts, An Act Excusing the Absence of

Students for Their Religious Beliefs. Section 2B of this law states: “Any student in an educational or vocational training institution other than a religious or denominational educational or vocational training institution, who is unable, because of his religious beliefs, to attend classes or to participate in any examination, study, or work requirement on a particular day shall be excused from any such examination, study or work requirement, and shall be provided with an opportunity to make up such examination, study, or work requirement which he may have missed because of such absence on any particular day; provided, however, that such makeup examination or work shall not create an unreasonable burden upon such school. No fees of any kind shall be charged by the institution for making available to the said student such opportunity. No adverse or prejudicial effects shall result to any student because of his availing himself of the provisions of this section.”

Academic Standing: For degree-seeking students, class membership is based upon the number of credit hours completed. Class membership determines priority for registration and participation in class events.

Class	Credit Hours Completed
First-Year	0-29
Sophomore	30-59
Junior	60-89
Senior	90-120

Good Standing: To maintain good standing at Worcester State University, matriculated students must meet the minimum standards specified below.

College Credits¹	Cumulative GPA
1-29	1.50
30-59	1.75
60 and over	2.00

¹College credits include all credits attempted at Worcester State University plus all credits accepted in transfer. Students are reminded that only grades earned at Worcester State University or through the Consortium Program are used in determining their GPA.

Warning Status: Students will not be placed on probation status until they have attempted 24 semester hours; however, students may be placed on a warning status if they fail to maintain the minimum standard after attempting 12 semester hours. Students on warning status may enroll in no more than 16 semester hours. In consultation with an academic advisor, each such student will develop an academic plan/registration contract that will include such conditions as repeating failed courses, regularly scheduled advising appointments, attending workshops offered through the Academic Success Center, and recommended use of the writing center, math lab, and tutoring services.

Probation and Dismissal: Students who fail to meet and/or maintain the minimum cumulative GPA required for good standing are placed on academic probation and are subject to the following restrictions:

1. they may not participate in intercollegiate athletics; and
2. they may not register for more than 12 semester hours of credit per semester; and
3. they may not serve on any standing and ad hoc governance committees of Worcester State University.

Failure to improve the GPA and regain good standing after two regular academic semesters (Fall and Spring) will result in academic dismissal and separation from Worcester State University. Students dismissed from Worcester State University for academic deficiency may not register for or attend classes at Worcester State University until 12 months have elapsed. Readmitted students must attain a minimum GPA of 2.0 for each semester following their return. Failure to maintain a 2.0 semester GPA will result in a second separation from Worcester State University not subject to appeal. See next section regarding withdrawal/leave of absence.

Appeal of Dismissal: Students may appeal for reinstatement to continue for a third semester on probation. Appeals must be made in writing to the Chair of the Academic Progress Review Board and submitted to the Registrar within five (5) days of notification. The Academic Progress Review Board will review the written appeals. The decision of the Review Board is final.

Undergraduate Grade Appeal Procedure

Prior to invoking the use of the undergraduate grade appeal procedure, individuals should exhaust all informal means available to resolve questions concerning specific issues related to their courses.

The grade appeal procedure may not be used to challenge a grade which results from a faculty member exercising usual and customary professional judgment in the evaluation of student work.

Step 1

When an issue arises in which the student believes he/she has been treated unfairly, the student shall request in writing a meeting with the instructor. In the case of an end-of-semester grade, the student shall request such a meeting no later than ten working days after the beginning of the next semester. The instructor shall arrange to meet with the student within ten working days of the receipt of the request.

Step 2

If the matter is not resolved to the satisfaction of the student at Step 1, then, within ten working days of the meeting in Step 1, the student shall file a written request to review the matter with the appropriate Department Chair.

Step 3

If, within ten working days of the receipt of the request in Step 2, the Department Chair is unable to resolve the matter to the satisfaction of all parties, then either party may, within ten working days, file a written request to review the matter with the Dean of the respective School.

Step 4

If, within ten working days of the receipt of the request in Step 3, the Dean is unable to resolve the matter to the satisfaction of all parties, then either party may, within ten working days, file a written request to review the matter with the Vice President for Academic Affairs. In the case of continuing education courses or graduate courses, the appeal at Step 3 goes to the Associate Vice President of Continuing Education.

Step 5

Within ten working days of the receipt of the request in Step 4, the Provost/Vice President for Academic Affairs shall inform the student, faculty member, Department Chair, Dean of the results of his/her review.

The appeal process ends at this point.

Withdrawal From Worcester State University/Leave of Absence

Matriculated students who fail to take a course during a calendar year will be administratively withdrawn from Worcester State University. Students who wish to permanently withdraw from Worcester State University or take a temporary leave of absence must complete appropriate forms in the Academic Success Center. If the withdrawal or leave of absence is filed prior to the last day to withdraw from courses for the term, “W” will be recorded on the student’s record. Students who file for leave of absence or withdrawal after the last day to withdraw from courses for the term may petition if they feel circumstances warrant the recording of “W” for all courses enrolled for that term. Normally, a leave of absence is for one semester; however, a student may have up to one year to return to Worcester State University. Failure to return at the specified time will result in an administrative withdrawal from Worcester State University.

Students who receive any form of financial aid or veteran’s educational benefits should consult with the respective office PRIOR to dropping or withdrawing from a course. Reducing credit hour load may adversely affect eligibility to receive financial aid or veteran’s educational benefits. In addition, most private insurance companies require that students be full-time (12 credits or more) to be eligible for coverage.

Reinstatement after Withdrawal/Non-continuous Attendance/Dismissal

Students reactivate their undergraduate, matriculation status through the Registrar's Office. It is the student's responsibility to supply and update the following documents if they are not on file:

- final high school transcript
- completed and notarized proof of residency form
- official transcript of all courses completed at each post-secondary institution attended (excluding Worcester State University).

When the file is complete, the student will meet with an advisor and develop a plan for academic persistence and success. If applicable, an updated evaluation of transfer credits will be done at this time. In the case of Nursing, Occupational Studies, and Education majors, an interview with the academic department will be necessary to determine reinstatement possibility in these majors.

Students readmitted after dismissal must attain a minimum GPA of 2.0 for each semester following their return. Failure to maintain a 2.0 semester GPA will result in a second separation from Worcester State University not subject to appeal.

All reinstated students follow the major requirements from the catalog in effect at the time of their reactivation. For students who matriculated prior to Fall of 2009 as first-year students, or prior to 2012 as transfer students, courses will be allocated to LASC categories according to the LASC transfer policies (see LASC section under "Academic Policies and Procedures"). For students who last matriculated as first-year students after the Fall of 2009, or as a transfer after the Fall of 2012, all courses completed at WSU will be allocated to LASC categories according to the catalog in effect when he/she is reinstated. Through appropriate advising, a plan for success outlining the maximum credits applicable will be developed prior to the semester of re-matriculation.

Statement on Student Absences from Class

Worcester State University does not have a university-wide attendance policy. Class attendance rules and handling of absences are matters to be resolved between individual faculty members and students. When a student is unable to contact faculty directly (in cases of hospitalization, accidents, family emergencies, and lengthy illnesses), the Vice President for Student Affairs' office will work with the Provost's office to complete this process.

Students are expected to communicate directly with their course instructors when a crisis or illness prevents them from attending class. If a student is unable to do this due to circumstances, and the absence will be for three (3) or more consecutive weekdays, the University helps through the Office of the Vice President for Student Affairs. Students in this situation and anyone else who becomes aware of a student needing this support is asked to contact the Vice President of Student Affairs' office directly as soon as possible.

The Vice President for Student Affairs' office will assist the student and collect appropriate documentation. Faculty are discouraged from collecting doctor's notes and other forms of official documentation. The student may also be referred to other departments across campus for assistance.

Students who find it necessary to be absent for short periods of time (i.e., fewer than three (3) consecutive classes) should personally contact their faculty members regarding their absence in advance, if possible, or as soon as they are able.

Students must work directly with their faculty member to make up missed work.

Students must still meet all course requirements as defined by their faculty members.

Procedure: When student must miss three (3) or more consecutive classes, they (or a family member) should provide the Vice President for Student Affairs' office the following information:

- Name
- Student Identification Number
- Dates/anticipated duration of absence
- Reason for absences (formal documentation of illness, hospitalization, family emergency, etc.)

When necessary, the notification to faculty members will come from the Provost's office. Questions, concerns, and/or information to be shared should be directed to the Vice President for Student Affairs' office at 508-929-8077.

University Policies

Bomb Threat Policy

Any student who makes a bomb threat or who aids in the making of a bomb threat, if found responsible through the Worcester State University judicial process, shall be suspended or expelled from WSU and may be criminally charged (terrorism).

(Use of) Drones Policy

Operation by any person of an unmanned air craft system (UAS), a drone, from above the campus, is governed by Federal Aviation Administration policies. (see: faa.gov/uas/getting_started/register_drone). Users must read and understand both the FAA and Worcester State University's UAS operating procedures and guidelines. In many cases, drones must be registered and fliers need to be a licensed drone pilot. When meeting the necessary registration and licensure, use of a drone on campus requires further approval at least 48 hours prior to the use of the UAS from University Police. University Police maintain the authority to "ground" or suspend operations of any UAS that is not compliant with FAA regulations, WSU policy, and/or represents a danger to the WSU community.

Educational and Prevention Programs Policy

Several Federal Laws including The Violence Against Women Act (VAWA), The Jeanne Clery Act, Title IX, Title VII and MA S. 2979 An Act relative to sexual violence on higher education campuses and The Drug Free Schools and Communities Act (DFSCA) require Institutions of Higher Education to provide primary prevention and awareness programs (within 45 days of matriculation or employment) as well as ongoing prevention and awareness campaigns for students.

As per Title IX regulation, institutions must be able to document that they have met the regulation requirement, therefore institutions are encouraged to mandate such trainings.

What are Education and Prevention Programs?

At the foundation of every positive student experience is a safe and healthy learning environment.

Educational programs assigned from the Division of Student Affairs are designed to increase an intercultural community that engages in civility, promotes personal growth and engagement, and embraces responsibility for the health and safety of our community.

The required Vector online prevention courses are comprehensive, research-based, online training programs assigned from a designated office in Student Affairs that provide essential information that empower students to make thoughtful and healthy choices. It is important that students take this training to help contribute to a respectful and healthy campus community.

Failure to complete/comply with these educational and prevention programs may result in a disciplinary/student affairs hold being placed on a student's account until the original required prevention education has been completed.

Excessive and Unreasonable Noise Policy

Recognizing that Amendment Article 97 to the Constitution of the Commonwealth of Massachusetts establishes that the people have a right to be free from excessive and unnecessary noise, courtesy hours are in effect at all times at Worcester State University. Courtesy hours are defined as times during which students are to consider the impact of their music, noise, etc. upon other members of the University community. Within a community setting, individual desires must not be allowed to take precedence over the rights of others and of the community as a whole. Therefore, students are expected to behave in a manner that does not disrupt or interfere with individual and/or group rights.

Gambling and Bookmaking Policy

Gambling (betting or wagering of any form) is strictly forbidden at Worcester State University. WSU supports all federal and state laws regarding illegal gambling. References: MGL, Ch.271, Sec. 5, 7, 17.

Prohibited activity included but not limited to:

- Betting/wagering or selling pools on any athletic event
- Playing card games for money
- Possessing any card, book or other device for registering bets
- Knowingly permitting the use of your room, apartment, office phone or electronic device for illegal gambling
- Offering, soliciting, or accepting a bribe to influence the outcome of an athletic event
- Involvement in unauthorized raffles or lotteries

Students involved in illegal gambling are subject to disciplinary action and/or criminal prosecution.

Statement on Student Jury Service

According to the Office of Jury Commissioner of the Commonwealth of Massachusetts, "Every U.S. Citizen 18 years of age or older who is a Massachusetts resident or an inhabitant for more than 50% of the time is eligible to serve as a juror. If you are a resident of another state but a student at a Massachusetts college, you are an inhabitant for more than 50% of the year and, therefore, eligible to serve as a juror in Massachusetts."

It is not unusual for students residing in Worcester County to be summoned to serve as trial jurors. Jury service, on a short-term basis, can provide students with a good opportunity to fulfill one of their important responsibilities as members of the community. Worcester State University supports students in their fulfillment of this civic duty.

Student Travel Policy

Worcester State University does impose certain requirements and controls in connection with travel that it formally authorizes or sponsors. While Worcester State reserves the right to impose special requirements in any individual case, the general rules that are of application to such travel are set forth in these Student Travel Guidelines.

Who May Sponsor:

1. Worcester State-sponsored travel is travel that is sponsored by Worcester State itself through one of its departments or offices. In every case, a Worcester State-sponsored student travel program requires the prior approval of the Vice President of Student Affairs (VPSA).
2. Worcester State-authorized travel is any travel/trip sponsored by a recognized student organization, club, or athletic team (beyond regularly scheduled season's contests). This shall include individual travel related to the business/purpose of the organization, club, or team, and group travel (e.g. a bus trip within the state, all travel outside the state, and any overnight trips). In all cases, Worcester State-authorized travel program must be approved by the Vice President of Student Affairs (VPSA)
3. An individual may not solicit or offer trips to the campus population as an independent representative of a travel agency or tour operator. This is designed to prevent the "stinging" of participants, which has often occurred in the past when an inexperienced student was hired as an "agent" by a travel company or tour operator. Any student's failure to comply with the procedure may result in judicial action by Worcester State.

Who Must Approve:

1. In every case, Worcester State-sponsored or Worcester State-authorized travel requires prior approval of either the VPSA or the Vice President of Academic Affairs (VPAA).
 - a. Travel sponsored by an academic department or other academic program must be approved by the Vice President of Academic Affairs.
 - b. Travel sponsored by Athletics or a recognized student organization or club must be approved by the VPSA.
 - c. Once a Worcester State sponsored or authorized travel plan has been decided, representatives of the sponsoring organization must meet with the professional staff person designated by the VPSA or the VPAA.

- d. As soon as possible after the deadline for submission of price quotations, the appropriate professional staff person (Athletics Director, advisor, coach, faculty member) and student leader (for non-athletic clubs/teams only) shall submit to the VPSA or VPAA the specifics of the travel program for review and approval. This proposal shall include:
- i. purpose, dates, and itinerary
 - ii. estimated number of participants
 - iii. number and names of chaperones
 - iv. copies of price quotations and names of selected vendor(s)
 - v. source(s) of funding for the trip
 - vi. financial breakdown of total cost of trip
- e. Worcester State University reserves the right to require, as a condition of any student's participation in any Worcester State-authorized or Worcester State sponsored travel, that the student or his/her guardian sign a waiver of all claims against Worcester State University and its employees for liabilities that may arise out of such travel. Worcester State University may impose this requirement whenever Worcester State-sponsored or Worcester State-authorized travel occurs outside or inside the Commonwealth of Massachusetts.
- f. Worcester State University shall require the student organization's, club's, or team's advisor(s), coach(es), or professional staff person(s) to chaperone any trip which, in the judgment of Worcester State, requires the presence of a professional staff member. Their duties will be to assist in securing the services contracted and assist the members of the student organization and the participants in following the established guidelines for the trip.
- g. Written contracts will be required with all vendors. The agreements shall contain specific information to include: exact overall costs, hotel costs, transportation costs, departure and return dates, times and locations, number of spaces provided, name of hotel(s) and public transportation carrier(s), clear statement of refund policy, payment deadlines if applicable, the availability of complimentary spaces, and a clear statement delineating routine or special expenses not included in the price of the trip. A copy of all contracts must be on file in the office of either the VPSA or the VPAA.

- h. Individuals may forfeit deposits in the event they cancel out of the event and cannot find a replacement. All cancellation, refund, and deposit policies must be clearly stated in the contract. A copy of these policies, which will vary from trip to trip, must be given to each participant prior to his/her initial deposit and the participant must read and sign a copy of the cancellation, refund, and deposit policy.
- i. All trips will be offered either to students only (or students and a guest only) first. For example, a Spring Break trip to Florida would be offered “to students only” first, while a Senior Class trip to NYC may be offered to “Seniors and a guest only” first. A trip offered “to students only” first shall have a specified time period announced for students to reserve spaces. Thereafter, additional available spaces may be filled by a student adding a guest to the list and paying the appropriate deposit.
- j. Participants in any Worcester State-sponsored or Worcester State authorized travel are expected to behave responsibly. Students who violate standards of conduct set forth in this or any other Worcester State policy will be subject to the procedures and sanctions of the student judicial code. All participants in such travel are personally responsible for any injury or damage they cause to other persons or their property. Worcester State and its agents assume no liability for any such damage or injury. All participants are personally liable for any costs, however incurred, that are not included in the travel package as advertised.
- k. The travel agency or tour operator will be required to carry adequate liability insurance and/or show proof of adequate liability coverage by carriers.
- l. It is the responsibility of the students to be aware of and adhere to departure times. Participants who miss travel connections are personally liable for any costs incurred in securing substitute transportation.
- m. Worcester State assumes no liability for a student choosing to ride in a private vehicle to or from the trip’s destination. Participants who travel in private vehicles do so at their own risk.

n. A student organization may subsidize a trip's cost. Any complimentary trips will be decided by the organization's officers and advisor(s). Attendance at an educational program or conference related to the organization's purpose can be subsidized up to one hundred percent (100%).

o. NEITHER WORCESTER STATE UNIVERSITY NOR ANY STUDENT ORGANIZATION ASSUMES ANY FINANCIAL OR OTHER RESPONSIBILITY FOR ITS OR ANY OTHER PERSON'S FAILURE TO PROVIDE, IN WHOLE OR IN PART, ANY SERVICE OR PRODUCT IN CONNECTION WITH ANY WORCESTER STATE-SPONSORED OR WORCESTER STATE-AUTHORIZED TRIP. NOR DOES WORCESTER STATE UNIVERSITY OR ANY STUDENT ORGANIZATION ASSUME ANY FINANCIAL OR OTHER RESPONSIBILITY FOR THE QUALITY OF ANY SUCH SERVICE OR PRODUCT THAT IT OR ANY OTHER PERSON DOES PROVIDE IN CONNECTION WITH ANY SUCH TRIP. In the case of every trip, such are the responsibilities of the travel agency, tour operator, and other vendors of services and products. Worcester State may, in any particular case, but at its sole discretion, take such steps as it deems appropriate to secure such vendor's fulfillment of any obligations undertaken in connection with a trip to secure refunds from vendors with respect to services or products not provided or not properly provided, but Worcester State University assumes no obligation to take such steps and no liability in consequences of its doing so. WORCESTER STATE UNIVERSITY ASSUMES NO OBLIGATION TO MAKE REFUNDS TO STUDENTS IN THE EVENT A TRIP IS CANCELLED, POSTPONED, OR ALTERED.

International Travel Requirements

1. Passport must be valid for at least 6 months after return date.
2. Check to see if a visa is required to enter the country or countries to which travel is planned. International students or students in other visa status must check with Worcester State's International Student Advisor.
3. Check with your health insurance provider to ensure you will be covered overseas. Consider an additional insurance plan which covers medical evacuation and repatriation. Information is available at the International Programs Office.

4. Travel to countries that the US Department of State has issued travel warnings for will not be approved by Worcester State. Check with International Programs for the latest warnings.
5. Make sure that all documents are prepared for travel and you have copies of them at home with a relative or other responsible person. Include passport and visa information, credit card number(s), and insurance information.

Worcester State University does impose certain requirements and controls in connection with travel that it formally authorizes or sponsors. While Worcester State reserves the right to impose special requirements in any individual case, the general rules that are of application to such travel are set forth in these Student Travel Guidelines.

University-related International Travel:

University-related travel to international destinations remains restricted for all students, faculty and staff. Examples of university-related travel include conferences, research, human subject research, and student organization sponsored/organized travel, to any location.

The University may, at its discretion, approve study abroad participation by WSU students on a case-by-case basis during the continuing global pandemic. Please refer to the Interim Process for Review & Approval of International Study Away Participation by WSU Students.

Tailgating Policy

As part of an ongoing effort to promote a healthier and safer campus environment, Worcester State has implemented the following policy regarding tailgating activities at football games. Beginning in the fall the following guidelines regarding tailgating will be in force.

- The tailgating (setting up grills and tables, etc.) will be located in Lot O ,(side of Wellness Center) and will be in the area across from the Science & Tech loading dock.
- Tailgating will be allowed two hours prior to game time.
- No alcohol will be allowed at any time. Any person with alcohol will be asked to dispose of it. The second time the person will be asked to leave the premises.
- At game time, the tailgating area will be shut down and cleared by University Police and all individuals will be asked to enter the stadium or required to exit the premises.
- Those who refuse to vacate the area will be viewed as trespassers and will be subject to police action.
- No individual will be permitted to exit the stadium and linger in the tailgate area, including returning to the area during half time.
- Additionally tailgating will be allowed for players and/or their families after the game for 90 minutes. After the ninety minutes have expired the area will be cleared.
- No Charcoal Grills permitted

Our aim in these policy is to allow for families of players and students at Worcester State to enjoy the football atmosphere without the use of alcohol.

This policy is subject to change for Homecoming events. Please refer to the annual campus-wide email notification for details regarding the Homecoming Tailgate Policy.

WORCESTER STATE UNIVERSITY
STUDENT CODE OF CONDUCT
AND
THE CONDUCT SYSTEM
INTRODUCTION

Worcester State University seeks to promote the peaceful and productive pursuit of the intellectual and social development of its *students*, and to ensure the safety and welfare of all *members of the Worcester State University community*. To help accomplish these fundamental ends, it is essential for students and others to cooperate when dealing with *Worcester State University* representatives in any matter and to understand both the rights and the obligations they have as members of this community. This “Student Code of Conduct and Conduct System” will enumerate and explain some of those rights and obligations, but the underlying rationale for any such code is the recognition that, as students and employees of Worcester State University, we comprise a community that, like all communities, calls on its members to conduct themselves with proper regard for the rights of others and for the mission and goals of the institution. All members of the Worcester State University community share the responsibility for maintaining an environment in which all actions are guided by care, concern, respect, integrity, and reason.

The functioning of Worcester State University as an intellectual community depends, in the first instance, on establishing a set of rights that all members of the community can know will be guaranteed and preserved by the institution. In addition to the basic rights granted by the United States and the Commonwealth of Massachusetts, members of the Worcester State University community share some other rights crucial for the conduct of free inquiry that is central to Worcester State University’s mission. These include the right to reasonable use of Worcester State University facilities, the right to privacy with respect to one’s personal effects and academic records, the right to organize a democratic student government, and the right to establish a responsible Worcester State University-recognized press that will be free of censorship. It is, of course, understood that any such rights that any student has are equally possessed by all students (without regard to race, age, gender, religion, sexual orientation, or national origin). Further, the exercise of any of these rights must not interfere with a similar freedom for any other member of Worcester State University.

The conduct code that follows outlines the procedures that Worcester State University will follow when the rights and responsibilities that we acquire as members of the Worcester State University community are violated. The details of the code and procedures to follow are included to ensure that both the accused student and, where applicable, the victim/survivor are treated fairly. But those details should not obscure the fundamental point: we are a community and, as such, we need a set of fair and explicit rules to govern our behavior.

JURISDICTION OF WORCESTER STATE UNIVERSITY

Worcester State University *shall* have jurisdiction over conduct that adversely affects the Worcester State University community and/or the pursuit of its objectives, wherever the conduct occurs.

In 1997, the Massachusetts Legislature passed a law prohibiting smoking in State buildings. Mass. Gen. Laws Chapter 270, section 22. Specifically this law prohibits smoking in (1) the State House; (2) any building owned by the Commonwealth; and (3) any space occupied by a state agency or department of the Commonwealth but located in a building not owned by the Commonwealth. This law also prohibits smoking on public transportation and in all state vehicles.

Smoking in the Workplace

Pursuant to Mass. Gen. Laws Chapter 71 section 37H, smoking is prohibited in all public school buildings and grounds. All public school employees, students, and visitors are restricted from using any tobacco product, including smoking or chewing, within school buildings, the school facilities, or on school buses. Worcester State University accepts this law as binding upon its students and employees, as well as visitors to our school and buildings.

POLICY

1. Smoking and/or the use of tobacco products, including any nicotine delivery system, will not be permitted in or on University property, University- leased property, including buildings, residence halls, grounds, community garden, athletic fields, walkways, parking lots, and bus stops; all other property (enclosed or outdoors) owned, leased or operated by the University. The sale of any tobacco products, including smokeless tobacco, and nicotine delivery systems is prohibited on any property owned or leased by the University.
2. Smoking and/or the use of tobacco products in the University owned or leased vehicles is prohibited. Smoking and/or the use of tobacco products is also prohibited in personal vehicles when those vehicles are on University property.
3. Compliance with this policy is mandatory for all employees, faculty, staff, students, and visitors of the University.
4. Any employee who repeatedly violates this policy may be subject to disciplinary action.

-
-
5. Any student who repeatedly violates this policy will be referred to the University's Office of Community Standards for disciplinary action.
 6. The University will not tolerate retaliation against any person who takes any action in furtherance of the enforcement of this policy or who exercises any right conferred by this policy.
 7. The University expects that all members of the campus community will respect the intent of this Policy and will comply with it voluntarily; however, it is the responsibility of anyone observing or affected by a violation of the policy to remind the user of the policy. If such a reminder is not effective, the individual should report the violation to University Police. If the alleged violator is an employee or a student, the violator may be subject to disciplinary action.
 8. Worcester State University asks our students, employees, faculty, and staff to help maintain a positive relationship with our neighbors. Smoking off campus does not give any smoker the right to litter on private or public property. Worcester State will inform our neighbors about our new smoke-free standards, and will encourage our neighbors to contact the University should problems arise. Worcester State would also like to remind you that smoking is prohibited on public school grounds, including the two schools that surround the University's campus.

ALCOHOL POLICY

All policies and regulations regarding the consumption and/or sale of alcoholic beverages on the Worcester State University premises or off-campus where Worcester State University jurisdiction applies shall be in strict conformity to the appropriate Massachusetts General Laws, the regulations of the License Commission of the city of Worcester and in compliance with the Drug-Free Schools and Communities Act (DFSCA), and the Drug-Free Schools and Campuses Regulations.

ALCOHOL AND DRUG EMERGENCY TRANSPORT/AMNESTY POLICY

Worcester State University considers the safety and personal well-being of the student body a priority. Worcester State University recognizes that there may be alcohol or other drug-related medical or safety emergencies in which the potential for disciplinary action could act as a deterrent to students who want to seek assistance for themselves or others.

Students who are evaluated for a substance abuse wellness check that may or may not result in being transported to a local hospital will be required to contact a member of the Office of Alcohol and Drug Prevention Education within twenty four (24) hours of receipt of letter from the Office of Alcohol and Drug Prevention Education. Failure to schedule and attend the sessions may result in conduct action.

When a student aids an intoxicated or impaired individual by contacting Worcester State University Police or Residence Life staff, neither the intoxicated individual nor the individual or student reporting the emergency will be subject to disciplinary action.

In the case of a second (2nd) transport; the student will attend two (2) educational meetings with a BASICS instructor followed by a minimum of three (3) sessions with a member of the Counseling Services staff.

In the unlikely case of subsequent transports, the student will meet with an administrative team to discuss the students' well-being, evaluate their residency status and/or visitation privileges within the residence halls, and potential conduct action.

STATEMENT ON MEDICAL/RECREATIONAL MARIJUANA

Massachusetts state law permits the use of medical and recreational marijuana. However, federal laws prohibit marijuana use, possession, and/or cultivation at educational institutions, therefore Worcester State University will provide no change to its current drug policies. Please understand that the use, possession or cultivation of marijuana for medical or recreational purposes is not allowed in any Worcester State University property; nor is allowed at any University-sponsored event or activity off campus.

In addition, no accommodations will be made for any student in possession of a medical marijuana registration card. Worcester State University will release students from the occupancy license (with documentation) who needs to use or possess marijuana for medical purposes. Anyone who possesses or uses marijuana at Worcester State University may be subject to civil citation, state or federal prosecution, and university discipline.

DRUG POLICY

All policies and regulations regarding illegal consumption/use, possession, sale/ traffic and/or manufacture of narcotics, controlled substances, prescription drugs, counterfeit substances, drug paraphernalia and substances releasing toxic vapor on the Worcester State University campus and its properties shall be in strict conformity to the appropriate Massachusetts General Laws and in compliance with the Drug-Free Schools and Community Act (DFSCA) and the Drug-Free Schools and Campuses Regulations. Detailed descriptions of infractions and penalties can be found in the Massachusetts General Laws, sections 94C and 270. Federal Drug Statute Title 21, USC 841 may also apply. Listed is a summation of these laws. **These laws are subject to change**

1. **Controlled Substances** are classified according to their chemical characteristics and their effect on the human body.

Class A

Heroin, Morphine, Flunitrazepan, Gamma Hydroxy Butyric Acid (aka GHB), Ketamine Hydrochloride (aka “Special K”)

Class B

Cocaine, Codeine, Methadone, Oxycontin and Oxycodone, Amphetamines, Fentanyl, Methamphetamine and its isomers

and salts, Phenacyclidine (PCP, Angel Dust), Lysergic Acid Diethylamide (LSD), Opium in certain amounts, P2P, PCH, PCC, MDMA (ecstasy), Phenmetrazine, Percodan, Dilaudid

Class C

Valium, Librium, Morphine and Codeine in certain amounts, Flurazepam, Hallucinogenic substances including Dimethoxyamphetamine, Mescaline, Peyote, Psilocybin (aka Mexican Mushrooms), Tetrahydrocannabinol (THC, active ingredient in marijuana)

Class D

Marijuana, Barbitol, Phenobarbital

Class E

Compounds containing a small percentage of Codeine, morphine or opium, prescription drugs not included in any other class.

Smelling Substance Releasing Toxic Vapor

Although not illegal to possess under certain conditions, these substance offenses occur when a person intentionally smells or inhales them. They include but are not limited to: glue, paint thinners, etc.

2. **Drug Paraphernalia** are objects used for the purpose of ingesting, injecting, inhaling, etc. any or all of the above substances. These include, but are not limited to, pipes (ceramic, metal, glass, etc.), syringes, or any other object modified for this purpose, (e.g. plastic containers, toilet paper rolls, etc.).
3. **Possession of a Controlled Substance** is simply proof the individual directly or constructively possessed some amount of a controlled substance without lawful authority.
4. **Possession with Intent to Distribute** does not require possession of a minimum quantity of a controlled substance where other signs of distribution exist, e.g. quantity (even a minute quantity can suffice), purity, street value, possession of a large amount of cash, uniform packaging, known drug area, behavior, possession of drug paraphernalia, etc.

-
-
5. **Counterfeit Substances** are imitations intended to be offered off deceptively as a genuine controlled substance. Because fake substances are often more dangerous to ingest and because the dealer is attempting to make a profit while eliminating the risk of being caught with a controlled substance, possession and sale of a counterfeit substance are punishable crimes under the law.
 6. **The Drug-Free School and Park Zone Law** was designed to heighten safety and deter drug distribution in areas where children congregate most: schools and public parks. This law provides for an enhanced penalty for individuals who possess any illegal drug with the intent to distribute. This applies to a suspect within 100 feet of a public park or playground or 1000 feet of a public or private elementary, secondary or vocational school. **Worcester State University is within 1000 feet of two schools.**

Worcester State University disciplinary proceedings *may* be initiated against a student charged with violation of a law that is also a violation of this Student Code, for example, if both violations result from the same factual situation, without regard to whether civil litigation in court or criminal proceedings are pending. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.

III. CONDUCT PROCEDURES

The following flow chart demonstrates the due process of the conduct system:

A. Conduct Authority

1. The Conduct Administrator shall determine which conduct body shall be authorized to hear each case.
2. The Conduct Administrator shall develop and implement procedures for the administration of the conduct policies and the conduct of hearings that are consistent with provisions of the Student Code.
3. Decisions made by a conduct body and/or the Conduct Administrator shall be final, pending the normal appeal process.
4. A conduct body may be designated as arbiter of disputes within the student community in cases that do not involve a violation of the Student Code. All parties must agree to arbitration and to be bound by the decision with no right of appeal.

B. Initiation, Notification and Hearing Process

1. Any member of the Worcester State University community may report any student for violation of the code of conduct. Reports shall be prepared in writing via online incident report and directed to the Conduct Administrator. Reports should be submitted as soon as possible after the incident takes place, preferably within Thirty (30) days. The Conduct Administrator has the authority to extend this timeframe on a case-by-case basis.
2. The Conduct Administrator will determine if the report has merit and/or if it can be disposed of by mutual consent of the parties involved, on a basis acceptable to the Conduct Administrator. Such disposition shall be final and there shall be no subsequent proceedings. If the case cannot be disposed of by mutual consent, the Conduct Administrator may later serve in the same matter as the conduct body or a member thereof.
3. All charges shall be delivered to the accused student via email to his or her Worcester State University email address via the Maxient server. The hearing shall be scheduled not less than two (2) or more than fifteen (15) calendar days after the student has been notified. In the event of an emergency, the Student Conduct Administrator reserves the right to change the time limit for a hearing.

If students are in need of any process accommodations through the Student Accessibility Services Office, they must submit a request with the SAS Office at accessibility@worchester.edu.

In the event a hearing must be conducted outside of the academic year or during breaks they will be scheduled at the Conduct Administrator discretion. Hearings are scheduled based on the students' academic schedule only.

4. The Conduct Administrator, at their discretion, may schedule an Administrative Hearing or a Campus Conduct Board and if applicable, an Appellate Board

An Administrative Hearing is a hearing conducted by a Hearing Officer appointed by the Vice President of Student Affairs or their designee on an annual basis in consultation with the Conduct Administrator.

A Campus Conduct Board is comprised of trained faculty members, administrators and/or students. A full Board consists of three (3) members. In addition to these members, the Board will be chaired by the Student Conduct Administrator or their designee, who will vote only in the event of a tie.

Prior to any Campus Conduct Board, the Conduct Administrator may hold a pre-hearing meeting with the accused student to discuss the process and go over all rights and responsibilities.

An Appellate Board is comprised of trained faculty members, administrators and/or students. A full Board consists of three (3) members. In addition to these members, the Board will be chaired by the Assistant Vice President of Student Affairs or their designee, who will vote only in the event of a tie.

The pool of board members for both the conduct and appellate board(s) will be appointed by the Vice President of Student Affairs or their designee on an annual basis in consultation with the Student Conduct Administrator.

 - a. The University will provide a prompt, fair, and impartial investigation and resolution of all matters subject to hearing.

- d. In hearings involving more than one accused student, the chairperson of the conduct body, at his or her discretion, may permit the hearings concerning each student to be conducted separately.
- e. The complainant and the accused student have the right to have a support person of their choice; however, support persons are not permitted to speak or to participate directly in any hearings before a conduct body. A support person will not be permitted
